3.2 IM 302 Postgraduate Major Project/Master Thesis

Study Programme	Internationale Betriebswirtschaft / International Business
Degree	Master

Name of Modul (SPO)	Postgraduate Major Project/Master Thesis
Name of Modul engl.	Postgraduate Major Project/Master Thesis
Modul Nr.	IM 302

Module Language	English
Modul Coordinator	Prof. Dr. Alexander Kumpf
Lecturer	N. N.

Allocation to Study Programme	3 rd Semester Master International Business
Frequency	Summer semester
Duration	1 Semester

Credits	23 ECTS			
Workload (h)	Total	Contact Hours	Independent Study Hours	Planned Group Size
	690 h	0 h	690 h	

Type of Teaching (SWS)	Total	Lecture	Seminar	Group work	Internship	Project work
	-	-	-	-	-	-

Prerequisites	The student must have obtained a minimum of 30 ECTS points for a topic to be issued.
Assessment Details	Assignment
Test Performance	Final grades
Required for pass	Yes

Learning Outcome	After successful completion of this course, students should be able to: <ul style="list-style-type: none"> • conduct an independent research project from the field of business administration • transfer previous knowledge to problems and challenges of the master's thesis • apply relevant research methods • discuss expert opinions critically • discuss the standard of knowledge in research • present their work and findings in an academically adequate and comprehensive form • prove and document their findings on scientific principles • explain in depth the relevant approaches and terminologies in one or more areas of their subject, describing current developments and taking up a critical position on them • select, apply and, if necessary, develop further methods that are suitable for solving the specialized problem in question • apply knowledge they have acquired and methods they have learnt in the course of their studies to complex and/or incompletely defined problems in a solution-oriented way • develop new scientific findings in their subject area and subject them to a critical assessment
Module Content / Syllabus	Students work on an independent research project from the field of business administration or related areas.
Media	Blackboard, projector and PC, flipchart
Literature	Differs by the research topic. Relevant literature can be recommended by the Supervisor.

3.3 IM 303 Thesis Colloquium

Study Programme	Internationale Betriebswirtschaft / International Business					
Degree	Master					
Name of Modul (SPO)	Thesis Colloquium					
Name of Modul engl.	Thesis Colloquium					
Modul Nr.	IM 303					
Module Language	English					
Modul Coordinator	Prof. Dr. Alexander Kumpf					
Lecturer	Prof. Dr. Alexander Kumpf, N. N.					
Allocation to Study Programme	3 rd Semester Master International Business					
Frequency	Summer semester					
Duration	1 Semester					
Credits	5 ECTS					
Workload (h)	Total	Contact Hours	Independent Study Hours	Planned Group Size		
	150 h	45 h	105 h	approx. 20 students		
Type of Teaching (SWS)	Total	Lecture	Seminar	Group work	Internship	Project work
	3 SWS	-	3 SWS	-	-	-
Prerequisites	Application for Master Thesis					
Assessment Details	Group presentation					
Test Performance	Final grades					
Required for pass	yes					

Learning Outcome	After successful completion of this course, students should be able to: <ul style="list-style-type: none"> • formulate and describe the research proposal • conceptualising the research design • describe the major points of the research topic in an effective abstract • design and publish a scientific poster • give a short presentation and explain the contents and findings of their thesis to a non-expert academic audience • reply to questions from the audience • discuss issues that belong to the field of business administration in international content and are related to the topic of their theses • motivate their solutions and defend their thesis in academic discussion
Module Content / Syllabus	The students give a short presentation explaining aims, contents and findings of their thesis. Arguments, contents, methods and theories employed will be discussed with examiners and the academic audience.
