* The legally prescribed times for expectant/nursing mothers are from 6:00 am to 8:00 on working days, with exceptions and authorisation until 10:00 pm. Work on Sundays and public holidays is also only possible in exceptional cases and with authorisation.

Notes

Maternity protection at Landshut University of Applied Sciences is governed by the Act on the Protection Mothers at Work, Training and during Studies (MuSchG) of 1 January 2018

According to the Maternity Protection Act, a risk assessment must be prepared for each module/course in which the particular hazards for expectant/nursing mothers are identified. If hazards are identified, protective measures and/or alternatives that avoid the hazard must be described. Please contact the person responsible for the module in question, who will draw up the specific risk assessment with you.

Counselling centres for expectant/breastfeeding mothers at Landshut University of Applied Sciences are

- Women's Representative
- Central Student Advisory Service (for general information on the course of study)
- Occupational safety specialist
- Company doctor

The information provided above will be forwarded internally within the university for further processing and to the Trade Supervisory Office.
